The International Baccalaureate® (IB)

A global pioneer in international education, nurturing inquisitive, knowledgeable, confident, and compassionate young individuals. Through fostering intercultural understanding and respect, they contribute to building a better, more peaceful world.

The International Baccalaureate (IB) programmes inspire school-aged students to take ownership of their learning journey. By cultivating future-ready skills, these programmes empower students to make a positive impact and thrive in a rapidly evolving world.

INTERNATIONAL SCHOOL
SPRINGHILL (SEREMBAN/PD)

UCSI International Springhill proudly offers an International Baccalaureate (IB) programme that fosters intellectual, personal, emotional, and social growth. This holistic approach equips students to become active, lifelong learners, prepared to excel in a dynamic world.

Our Mission

UCSI Schools are dedicated to delivering a holistic education that equips learners for the future. By fostering essential skills, knowledge, and values, we prepare students to become responsible global citizens, ready to thrive in a dynamic 21st-century world.

Our Vision

UCSI Schools aim to deliver global citizens and inspire future leaders by providing a world-class, 21st century education.

The IB Learner Profile

describes a broad range of human capacities and responsibilities that go beyond academic success.

They imply a commitment to help all members of the school community learn to respect themselves, others and the world around them.

Each of the IB's programmes is committed to the development of students according to the IB learner profile.

The profile aims to develop learners who are:

Balanced

Understand that it is important to have a balance between the physical and mental aspects of your body

Open-Minded

Listen to other's points of view and consider many possibilities before making a decision.

Caring

Be sensitive to the needs of other people.

Principled

Have a sense of fairness and be honest with yourself and others.

Communicator

Think and communicate effectively in many ways and in more than one language.

Reflective

Know your strengths and areas of improvement.

Inquirer

Be curious about the world.

Thinker

Solve problems and make good decisions.

Knowledgeable

Independently explore relevant and significant concepts.

Risk-Taker

Dare to try new things.

Principal

Christopher Edmunds
UIS principal

Chris Edmunds, with over 40 years of international educational experience, returns to the UCSI family as Principal of UCSI International School Springhill, having previously led UCSI International School Kuala Lumpur. A seasoned leader in school start-ups, transformation, and educational reform.

Chris Edmunds' leadership journey encompasses teaching and administrative roles across Asia, the Gulf, Europe, and Africa, underpinned by qualifications including an MA in Education Leadership, a BEd (Hons), and an LTCL in Violin Teaching. He has extensive experience with all three International Baccalaureate programmes—PYP, MYP, and DP—serving as a coordinator, examiner, and teacher of Music, History, and English. His leadership philosophy centres on communication, inclusion, transparency, and empowerment, fostering a culture where students, staff, and parents feel valued and engaged. Passionate about holistic education, he strives to cultivate critical thinking, resilience, and adaptability in students, aligning with Yuval Noah Harari's vision of preparing learners for an uncertain and complex future. Deeply rooted in Malaysia through his family and a profound respect for its culture, Chris brings a global perspective and a commitment to diversity, ensuring every member of the school community is supported in realising their full potential.

Coordinators

Chow Chung How
DP Coordinator

Chow Chung How is a seasoned educator and trilingual leader with extensive expertise in international curricula, science education, and digital learning. Committed to fostering students' potential through values-based teaching, he inspires a lifelong passion for learning.

Amira, an active member of the IB Educators Network, brings extensive experience as a workshop leader, examiner, and school visit team member. Passionate about empowering students, she inspires them to recognise their strengths and lead with courage, inclusivity, and open-mindedness.

Amira Dzulkafli
MYP Coordinator

Yulia Yakunina
PYP Coordinator

Yulia Yakunina is a skilled communicator who inspires students from diverse backgrounds to excel. With extensive experience preparing learners for international examinations, including Cambridge, Oxford, and Pearson IGCSE, she is committed to fostering academic success.

Be fearless!

The scary news is, you're on your own now. The good news is, you're on your own now.

Success is not the absence of failure; it's the ability to bounce back from it.

Activities Beryl's Wonderland

UCSI International School Springhill's MYP and DP students enjoyed a remarkable day at MATRADE Kuala Lumpur, where they explored the intricacies of international trade. This was followed by a delightful visit to Beryl's Chocolate Wonderland in Sri Kembangan. Through these experiences, students gained valuable insights into global business practices, forging connections between economics, marketing, and food science.

Activities

Tanjung Tuan fleid trip

MYP and DP students of UCSI International School went on a trip to Tanjung Tuan, Malacca. Students and teachers began the day with a short hike to the Cape Rachado Lighthouse, exploring not only this historic landmark but also the surrounding natural environment. Students then visited a nearby beach, where they had lunch, played volleyball, and enjoyed time in the ocean. This trip enriched our students' understanding of nature and the wilderness, broadening their perspectives on the environment.

Activities

Cross Country Fun Run 2024

UCSI Schools Springhill joyously marked the grand finale of the EDU DASH Family Fun Run – a truly memorable occasion! We were thrilled to unite our community for a day brimming with happiness and enthusiasm. Students and teachers alike eagerly took part in this vibrant event.

Activities UCSI University 2025

One day experience in UCSI University created an academic learning environment for students. By attending actual university courses and interacting with lecturers, we aimed to better understand what to expect in higher education. This experience helped us explore different fields of study, clarify our future academic goals, and prepare ourselves mentally for the transition from high school to university.

Activities Prom 2025

Prom event was to celebrate the end of our school journey and create lasting memories with our classmates. It provided us with a chance to relax, enjoy ourselves, and strengthen the bonds we've built over the years. Prom was not only a celebration, but also a meaningful way to mark this important transition before stepping into the next chapter of our lives.
